F. Lexible Tightwad says:  
"WHY shouldn't little Johnny's nose be always running. Playing on the floor he gets the full benefit of those air leaks between your window frames and walls. Add coal bills to doctor's bills, then see why you'd better have me stop 'em permanently."

**Gimbels** Foremost in things musical—foremost in manner of selling. "One fair, fixed price" was born in piano-dom the day this store began selling musical instruments.  
The whole plan and scheme of the business changed—more value is given to everyone because no costly favoritism remained.
